Theatre Company LLC

# Director's Sonnet

*(we encourage you to read this in a British accent)*

We welcome you to travel back in time  
To England and the Renaissance...on stage!  
Where writers work to find the perfect rhyme  
To no avail, 'cause Shakespeare's all the rage.

Some theatre can be poignant, moving, sad,  
While some is simply meant to entertain.  
We hope tonight's performance does just that,  
You'll laugh until you cry, then smile again.

This cast has been a joy to be around;  
They bring me light and laughter every day.

The caliber of talent will astound,  
I know that they will blow you all away.

With much ado, sit back, relax, delight,  
And join us on this wild ride tonight!

— Meg & Co.

She hopes you enjoy the show!

## **CAILEAN ANDERSON | JAZZ LINE**

*Something Rotten* is Cailean's ninth performance with Ovation, and she could not be more excited! Favorite past theatre credits include Little Red (*Into the Woods*) and the Lady of the Lake (Monty Python's *Spamalot*). Cailean recently graduated from high school with NH Scholars distinction; she is looking forward to pursuing expressive arts therapy at Endicott College this fall. ## **EMMA BARNABY | JAZZ & TAP LINES**

Emma Barnaby drove home to Massachusetts from Utah after graduating from college this year. She drove approximately 2,550 miles at an average speed of 75 miles per hour. How many hours did it take her to complete the trip (assuming no stops)? If she took a picture at every state sign (including Utah's), how many photos did she take? Which state do you think Emma enjoyed driving through least?

## **JONNA BARNABY | VOCAL ENSEMBLE**

Jonna Barnaby is blessing the stage one last time after almost a 40-year hiatus and an upcoming retirement from the theatre. Shockingly, being on stage with her kids, sister, and niece has been a far more enjoyable experience than anticipated. Thanks to the directors and cast for being patient with this old hag! Enjoy this crazy, silly, fantastic show!

## **ZACHARY BARNABY | NIGEL BOTTOM**

Zachary Von'Muselstein Klossowski Barnaby the VI (Nigel Bottom), youngest heir to the Barnaby household, has seen 7,847 moons pass \*21 years old\*. Most wondrous thanks be to those labors not seen on stage \*creative team and crew\* and bids you enjoy the performance. Adieu.
